COMMUNICATION

In a telephone interview on March 24, 2006 with Examiner Carl Price, certain deficiencies of the original declaration submitted on August 23, 2001 were discussed.

Applicants request that the attached Declarations of Daniel Shimek dated May 16, 2003 and Patricia Shimek dated May 9, 2003 (for deceased Ronald Shimek) be reconsidered in the cited reissue application. Included with this Communication is a copy of the transmittal letter and date stamped express mail label indicating that the two supplemental declarations were originally mailed June 9, 2003. Although, no return postcard is now in the file, receipt of these declarations was acknowledged by Examiner Carl Price in Paper 9 mailed on August 8, 2003..

Applicants submit that the supplemental declarations mailed June 9, 2003 overcome the deficiency of the earlier declarations and place the application in condition for allowance.

Applicants also submit a new Power of Attorney authorizing the undersigned to represent the assignee of the present invention.
